

# FURRY POMPONS DIY

1. DRAW A CIRCLE ON THE REVERSE SIDE OF A PIECE OF FAUX FUR.

THE CIRCLE DIAMETER SHOULD MEASURE THE CIRCUMFERENCE OF THE SPUN COTTON BALL, PLUS 2 CM.

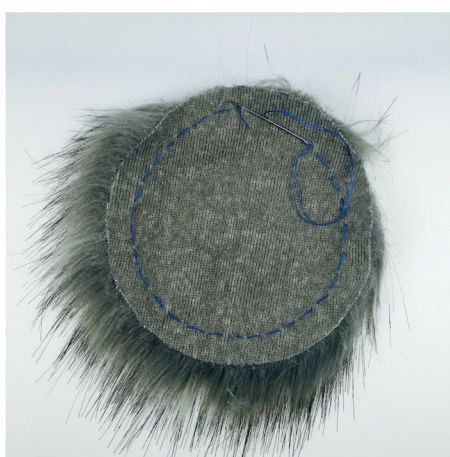

2. THREAD A PIECE OF ROUND CORD THROUGH A SMALL SPUN COTTON OR STYROFOAM BALL.

3. CUT THE CIRCLE OF FAUX FUR.

CUT THE MATERIAL FROM THE REVERSE SIDE WITH SMALL SCISSOR STROKES SO AS TO NOT CUT THE HAIRS.

4. HAND STITCH A LINE OF BASTING STITCHES 1 CM FROM THE EDGE OF THE CIRCLE.

5. PLACE THE BALL IN THE CENTER OF THE CIRCLE AND GENTLY GATHER THE BASTING STITCHES AROUND THE BALL.

TAKE CARE NOT TO BREAK THE GATHERING THREAD.

6. GATHER UNTIL THE POMPON FORMS AROUND THE BALL IN THE CENTER.

7. HAND STITCH THE OPPOSITE GATHERED SEAM ALLOWANCE EDGES TOGETHER. MAKE SURE TO SEW THROUGH THE CORD AS WELL.

TUCK THE SEAM ALLOWANCE INTO THE BALLED POMPON.

8. BRUSH THE HAIRS UNTIL THEY ARE NICE AND FLUFFY.  
  
ALL DONE!
